Prism

STAND OUT MIRROR UNIT

This innovative, multi-functional design was conceived to meet both convenience and style. Mirror units help to declutter the vanity space by offering an attractive, concealed storage area for paper towels and soap dispensers, which can quickly & safely be replenished. In this way, Prism units save both time and floor space. Access is effortless, thanks to the heavy duty hinges and gas struts and the overall design is sure to complement any scheme's interior styling.

Top hinged mirror panel with gas strut props to support the mirror whilst open

Capability to integrate paper towel/soap dispensers & hand dryers within mirror unit

Sprung cam lock to prevent accidental opening

Symbols/text can be etched into mirror to indicate accessory positions

Minimalist design to complement high end interiors - highly bespoke also options available

Option for tap access opening in rear of unit.

Specifications

PRISM STAND OUT MIRROR

Reference: Maxwood PRISM STAND OUT MIRROR SYSTEM Range
