

DATASHEET

XEISTA CAUSTORA

KEY FEATURES

- 01 Outstanding range of materials including natural stone, terrazzo, concrete, composite stones, Durat® & all Corian® equivalent solid surfaces.
- 02 Made to measure from bespoke project designs
- 03 Option for floating top or under-panels/base units
- 04 Compatible with integral basins, undermounted basins and vessel basins
- 05 Supported by structurally calculated mild steel brackets where necessary
- 06 Coordinated design to integrate with all tap, dispenser and bin types

XEISTA CAUSTORA

Specifications

VANITY TOP

Core Material: Stone or solid surface material of client's choice, including upstands & downstands where required. Wash hand basins can be integral or under-mounted/vessel counter-mounted by others.

Colour/Finish: As per client choice.

Edge treatment: All exposed edges are radiused/chamfered and polished.

PANELS (IF REQUIRED)

Core Material: 18mm moisture resistant particle board 650kg/m³.

Colour/Finish: High pressure laminate, as per per client choice.

Edge Treatment: All edges lipped in impact-resistant ABS with polyurethane adhesive (see below).

Adhesive Type: All components are bonded with specialist polyurethane washroom adhesive, for ultimate water-resistance and strength of bonding. This adhesive is environmentally friendly with its zero rating on formaldehyde emissions.

Fixing: Panels fixed to laminate front facings with heavy duty nylon lift-off/push-fit concealed clips.

FRAMING

Core Material: 18mm exterior-grade plywood substrate.

Brackets: Bespoke mild steel brackets in PPC finish, required for floating vanity tops.

OPTIONAL ENHANCEMENTS

- Under panels finishes:
- Real wood veneer
- Glass
- Stone
- Corian® and equivalent solid surfaces
- PVD finished stainless steel
- Hinged access panels using 110° cupboard hinges (locks supplied on request)
- Base units for cupboard storage
- Glass splashbacks
- Light pelmets and/or 'goal-post surrounds'
- Integral bins with polished bin-cut-outs
- Free-standing 'island' vanity design
- Other bespoke features available on request.

Note: Any optional enhancements required to be clarified at point of specification.
